

# Pandora

## PIEZOELECTRIC SIREN PS-333

Pandora PS-333 is a small-size piezoelectric siren designed to work as an actuator part of a security system in 12V circuits.

**WARNING! It is prohibited to install the siren in the places where the temperature range may be higher than the operating temperature range (engine, exhaust system, etc.) Place the siren with the wires down. Insulate the wiring connections thoroughly.**

### SPECIFICATION

Sound pressure, dBA:	>95
Voltage, V:	12
Current consumption, mA:	300
Protection code:	IP65
Operating temperature, °C:	from -40 to +85
Dimensions, mm:	69x52x19
